# AUDITORS' REPORT

**Report on the Financial Statements** We have audited the accompanying financial statements of Manitoba Arts Council, which comprise the statement of financial position as at March 31, 2011, the statements of revenues and expenses, changes in fund balances for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Management's Responsibility for the Financial Statements** Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility** Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion** In our opinion, these financial statements present fairly, in all material respects, the financial position of Manitoba Arts Council as at March 31, 2011 and the results of its operations for the year then ended in accordance with the Canadian generally accepted accounting principles

# MANAGEMENT'S RESPONSIBILITY for FINANCIAL REPORTING

The preparation of the financial statements and other information contained in this Annual Report is the responsibility of management of the Manitoba Arts Council.

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles using management's estimates and judgments where appropriate. The financial information shown elsewhere in this Annual Report is consistent with information contained in the financial statements.

Management of the Manitoba Arts Council has developed and maintains accounting systems and internal controls designed to provide reasonable assurance of the reliability of the financial information, and that assets are appropriately accounted for and adequately safeguarded.

The financial statements for the year ended March 31, 2011 have been audited by Magnus & Buffie in accordance with Canadian generally accepted auditing standards. The Auditors' Report outlines the scope of their audit and their opinion on the presentation of the information included in the financial statements.

The Council, through its Audit/Finance/Human Resource Committee, carries out its responsibility for the review and approval of the financial statements and the Annual Report. The Audit/Finance/Human Resource Committee reports to Council who approves these financial statements and the Annual Report prior to release.

## Notes to Financial Statements As at March 31, 2011

**1 Authority & Purpose** The Arts Council Act established the Manitoba Arts Council in 1965 to "...promote the study, enjoyment, production and performance of works in the arts." The Council is a registered charity (public foundation) and, as such, is exempt from income taxes under the Income Tax Act (Canada).

### 2 Change in Accounting Policies

**Significant accounting changes:** No significant accounting changes were effective for the Council in the 2010/11 year.

### 3 Summary of Significant Accounting Policies and Reporting Practices

**(a) BASIS OF PRESENTATION** These financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles within the framework of the accounting policies summarized in these notes to the financial statements.

**(b) FUND ACCOUNTING** The financial statements disclose the activities of the following funds maintained by the Council:

**(i) Grants & Program Fund** This fund reflects the disbursement and administration of grants and programs in the spirit of the aims and objects of Council defined in The Arts Council Act.

**(ii) Bridges Fund** This fund was established in June 1999 to generate new initiatives in art development and practice, enhance public access to the arts and enhance administrative and governance skills for arts organizations. As well, the program will encourage new partnerships, provide more opportunities for professional development and assist in audience development. The excess of revenues over expenditures, if any, is transferred to the Grants & Programs Fund at an amount determined by the Council to fulfill similar goals and objectives.

**(c) REVENUE RECOGNITION** The Council follows the deferral method accounting for revenues. Externally restricted revenues

are deferred and recognized as revenue in the applicable fund in the year in which the related expenses are incurred. Unrestricted and internally restricted revenues are recognized as revenue in the applicable fund when received or receivable.

**(d) GRANT COMMITMENTS** Grants and program commitments are reflected as expenses when funding is formally approved and committed by Council. Cancellations of prior years' grant expenses are reflected as rescinded grant commitments.

**(e) CAPITAL ASSETS** Capital assets are recorded at cost less accumulated amortization. Amortization is provided on a straight-line basis over the estimated useful lives of the assets as follows:

Office furniture and equipment	5-10 years
Computer hardware and software	3 years

**(f) MUSICAL INSTRUMENTS AND WORKS OF VISUAL ART** Musical instruments and works of visual art are shown on the Statement of Financial Position as assets at cost with an offsetting credit to investments in musical instruments and works of visual art. The art bank collection was re-appraised in 2005, at a current market value of \$449,222.00.

**(g) CAPITAL DISCLOSURES** The Council's capital consists of Fund balances. The Council's capital management policy is to maintain sufficient capital to meet its objectives through its fund balances by managing its grants and operational expenses against its funding revenue. There were no changes in the Council's approach to capital management during the period.

The Council is not subject to externally imposed capital requirements.

**(h) FINANCIAL INSTRUMENTS - RECOGNITION AND MEASUREMENT** Financial assets and liabilities are initially recorded at fair value. Measurement in subsequent periods depends on the financial instrument's classification. Financial instruments are classified into one of the following five categories: held for trading; available for sale; held to

maturity; loans and receivables; and other financial liabilities. All financial instruments classified as held for trading or available for sale are subsequently measured at fair value with any change in fair value recorded in net earnings and other comprehensive income, respectively. All other financial instruments are subsequently measured at amortized cost.

The financial assets and liabilities of the Council are classified and measured as follows:

Financial Asset/Liability	Category	Subsequent Measurement
Cash and short-term investments	Held for trading	Fair value
Accrued interest income	Held for trading	Fair value
Accounts receivable	Held for trading	Fair value
Recoverable, Province of Manitoba	Held for trading	Fair value
Long term investments	Held for trading	Fair value
Accounts payable and accrued liabilities	Held for trading	Fair value
Commitments for grants and programs	Held for trading	Fair value

**AMORTIZED COST IS DETERMINED USING THE EFFECTIVE INTEREST RATE METHOD** Gains and losses on financial instruments subsequently measured at amortized cost are recognized in the statement revenues and expenses and fund balances in the period the gain or loss occurs. Changes in the fair value on financial instruments classified as held for trading are recognized in the statement of revenues and expenses and fund balances for the current period. Changes in fair value on financial instruments classified as available for sale would be recorded in other comprehensive income until realized, at which time they are recorded in the combined statement of revenues, expenses and comprehensive income and fund balances.

**(i) Fair Value of Financial Instruments** The fair value of cash and short-term investments, accrued interest income, accounts receivable, long term investments, accounts payable and accrued liabilities and commitments for grants and programs approximate their carrying values due to their short-term maturity.

The fair value of the recoverable, Province of Manitoba is not practical to determine due to their underlying terms and conditions

**(j) Use of Estimates** The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities at the date of the financial statements and the reported amounts of certain revenue and expenses during the year. Actual results could differ from these estimates.

**4 Future Accounting Changes** The Council will adopt Public Section Accounting Standards (PSAS) for Government not-for-profit organizations issued by the Public Sector Accounting Board effective April 1, 2012. The Council is currently in the process of assessing the impact of the adoption of PSAS on its financial statements.

**5 Cash and Short Term Investments** Cash and short term investments consist of \$55,071 cash (2010 - \$69,041) and a short term investments of \$321,096. (2010 - \$30,059). The short term investments mature May 30, 2011 (\$76,096) with a yield of 0.85% and June 30, 2011 (\$245,000) with a yield of 0.85%.

## 6 Long Term Investments

	2011		2010	
	Cost	Market	Cost	Market
ICICI Bank (GIC Annual) (Due Jul. 26, 2011, yielding 4.64%)	28,400	29,295	28,400	29,295
Manitoba Hydro Bonds (Due June 15, 2011, yielding 1.0%)	103,000	100,103	103,000	103,816
Royal Bank Mortgage Corp. (GIC Non-Redeemable) (Due Oct. 7, 2011, yielding 4.35%)	62,500	63,804	62,500	63,804
	<b>\$ 193,900</b>	<b>\$ 193,202</b>	<b>\$ 193,900</b>	<b>\$ 196,915</b>

As the difference between costs and market is insignificant, Council has not adjusted its carrying value to market.

## 7 Capital Assets

	2011		2010	
	Cost	Accumulated Amortization	Net Book Value	Net Book Value
Office furniture and equipment	129,105	111,864	17,241	29,797
Computer hardware and software	450,384	409,349	41,035	79,686
	<b>\$ 579,489</b>	<b>\$ 521,213</b>	<b>\$ 58,276</b>	<b>\$ 109,483</b>

**8 Works of Visual Art** The Manitoba Arts Council moved selected works from the Visual Art Bank to the Art Gallery of Southwestern Manitoba. The Manitoba Foundation for the Arts awarded a grant to the Manitoba Arts Council to provide to the Art Gallery of Southwestern Manitoba for the care, storage and exhibition of those works. An art bank loan agreement between the Council and the Art Gallery of Southwestern Manitoba is currently being negotiated.

**9 Interfund Transfers and Internally Restricted Fund Balances** In 2011, the Council members internally restricted \$11,290 to be used as follows:

	Grants & Programs	Bridges
French Language Programs	0	11,290
	<b>0</b>	<b>\$ 11,290</b>

These internally restricted amounts are not available for unrestricted purposes without the approval of the members of Council. In addition, \$397,170 (2010 - \$457,626) was transferred from the Bridges Fund to the Grants & Programs Fund in order to fund the cash outlays for Grants to Individual Artists and Arts Development Grants.

**10 Lease Commitment** Council has entered into an agreement to lease office premises until March 31, 2012. The 2011 basic annual rent was \$113,804. The 2012 basic annual rent is estimated to be slightly higher than 2011 (\$114,164). Expenses arising from an escalation clause for taxes, insurance, utilities and building maintenance are in addition to the basic rent.

**11 Funding Agreement** The funding agreement with the Province of Manitoba established the terms and conditions of funding for five years ended March 31, 2000. During the term of the agreement, Council was entitled to retain proceeds up to \$1,000,000 from the Province of Manitoba. Any proceeds retained in excess of \$1,000,000 except for proceeds

exempted in the funding agreement, would have been repaid to the Province of Manitoba on demand. In accordance with this agreement, there were no proceeds repayable to the Province. As at March 31, 2011, the Council was in discussions with the Province regarding the terms of a new funding agreement.

**12 Pension Plan** Eligible employees are participants in the Manitoba Civil Service Superannuation Fund. The Council participates on a fully funded basis and its contributions of \$32,735 (2010 - \$24,841) represent the total obligations for the year.

**13 Severance Liability** Effective March 31, 1999, the Manitoba Arts Council, as a Crown organization, is required to record a severance liability. The Province of Manitoba has recognized an opening liability of \$36,000 as at April 1, 1998. Any subsequent changes to the severance liability will be the responsibility of Council. As at March 31, 2011, Council recorded a liability of \$24,642 (2010 - \$27,719). This liability is included in accounts payable and accrued liabilities.

**14 Statement of Cash Flow** A statement of cash flow is not presented as part of the financial statements as Council has determined that cash flow information is readily determinable from the other financial statements.

**15 Economic Dependence** A substantial portion of the Council's total revenue is derived from the Province of Manitoba in the form of an operating grant.

**16 Financial Instruments — Risk Management** In the normal course of operations the Council is exposed to various financial risks. The financial risk management objectives and policies are as follows:

**CREDIT RISK** Credit risk is the risk that one party to a financial instrument fails to discharge an obligation and causes financial loss to another party. Financial instruments which potentially subject the Council to credit risk consist principally of cash and short-term investments, accrued interest income, accounts receivable and long term investments.

**The maximum exposure of the Council to credit risk at March 31, 2011 is:**

Cash and short-term investments	\$376,164
Accrued interest income	3,638
Accounts receivable	21,240
Long term investments	193,900
	<b>\$594,942</b>

**Cash and short-term investments and accrued interest income:** The Council is not exposed to significant credit risk as these are primarily held by financial institutions and the Province of Manitoba.

**Long term investments:** The Council is not exposed to significant credit risk as these consist of interest bearing bonds

and accounts from financial institutions and Manitoba Hydro, a provincial Crown corporation.

**Accounts receivable:** The Council is not exposed to significant credit risk as the nature of the accounts receivable is with the Province of Manitoba.

**LIQUIDITY RISK** Liquidity risk is the risk that the Council will not be able to meet its financial obligations as they come due.

Management monitors the Council's liquidity and is of the opinion that it is unlikely that the Council will encounter difficulty in raising funds to meet commitments associated with financial instruments.

**MARKET RISK** Market risk is the risk that changes in market prices, such as interest rates and foreign exchange rates, will

affect the Council's income or the fair values of its financial instruments. The significant market risks the Council is exposed to is interest rate risk.

**INTEREST RATE RISK** Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The interest rate exposure relates to short-term investments and long term investments.

The interest rate risk on short-term investments are considered to be low because of their short-term nature.

The interest rate risk on long term investments are considered to be low because this consists mainly of fixed interest bearing bonds.
